If four players' on your team are in the building they all must play if you elect to play in three you lose two balls every other frame. If a game ends in a tie you play one more frame with all players going to one end of the court with each player throwing one ball each, that means if you are playing in three you can only throw three balls instead of four.

**The 6:45pm games ends at 8:30pm if in middle of frame finish frame, if tied play one frame.**
