

#SupportForChris

October 22, 2015

Bartolino's Osteria

2103 Sulphur Ave, St. Louis, MO 63139

Chris Sanna was mugged & shot after leaving the baseball game in downtown St. Louis on Friday, September 26, 2015. He was there with the rest of his family to celebrate his mother's 60th birthday. The bullet has left Chris paralyzed from the waist down. His life changed in just an instance. Chris is still recovering in the hospital and will eventually move into rehab where he will need extensive therapy.
